TPM-Larissa

01st March + 02nd March 2023

The main topics were:

- Result 2: The individual partners presented the experiences gained from the pilot tests. On the whole, the presentations were rated as very good to excellent. But we were also given suggestions for improvement, which we will incorporate into the presentations in the next few days.
- Result 3: The training guide was discussed in detail.
- Result 4: The Moodle platform is already set up. In the next few days we will check whether the software developed can be combined with Moodle. Subsequently tests will be carried out with the modules.
- Projekt-management: In the course of the project management, the upcoming meeting with the Austrian agency was discussed in detail.

Date set for the next online meeting:

12. April 2023 - 10.00 CET
